Child friendly phonics

Our Letterland classes are designed for children from 3 - 5 years old. Classes are great fun and a brilliant head start into the world of reading.

The Letterland pictograms activate every learning channel, linking all the things that children love —social interaction, movement, art, craft, drama, rhyme, directly to letter knowledge.

Letterland provides a realistic parallel world which bridges the gap between abstract print and real world - creating a secure learning environment where children can happily develop cognitive, language and literacy skills including:

- Phonemic Awareness
- Alliteration and symbol/sound relationships
- Letter formation
- Blending and segmenting
- Word and sentence building
- Vocabulary and Language
- Imaginative Play

play with purpose

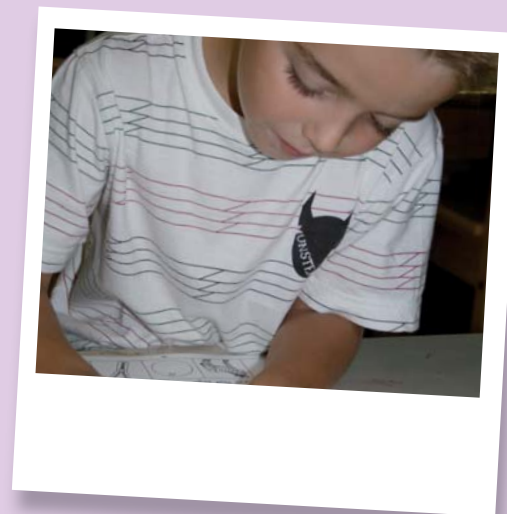

friendly qualified team

Letterland Times

Monday	9.30am, 11.30am, 1.30pm
Wednesday	9.30am, 11.30am
Thursday	9.30am, 11.30am
Friday	9.30am, 11.30am

All classes run for 1 hour

School readiness program

Our School Readiness Program is designed especially for children starting school next year. Its main aim is to ensure that children have the best head start and have acquired all the skills necessary for BIG SCHOOL. Our program uses elements of the Letterland program for literacy awareness, we play number games to increase number recognition and counting, we practice fine motor skills for good handwriting and of course enjoy the social aspect!

School Readiness Times

Monday	10.30am, 12.30pm
Wednesday	10.30am, 12.30pm
Thursday	10.30am, 12.30pm
Friday	10.30am, 12.30pm
